ZIT LETTERS
PO BOX 859, HOVE,

THE LETTERS PAGE WITH A HUMUNGIOUS BULGE IN ITS PANTS!

Are you feeling in a caring mood? Or perhaps you're not getting a fair deal. Whether you're feeling outraged or pleased, hard-done-by or just thinking about Kylie's pert little tits - drop us a line. The address is at the top of the page.

There's a crisp tenner for the best letter we receive. Though all we've received so far is a sack of shit.

HOSTAGE HOPE

You have to admire Jill Morrell, the girlfriend of British hostage John McCarthy. One can only hope that her constant campaigning for his release succeeds and John comes home soon. And chucks her.

HEALTH AID

The government prints a health warning on the bottom of all cigarette packets to help stop the spread of cancer. Wouldn't it be a wise precaution in helping to prevent the spread of AIDS by printing a similar warning on the bottoms of all homosexuals.

Sandra Chick

I recently saw a notice on the door of my local corner shop which said "Please mind the step." Being the nice person that I am, I did as the notice asked. 6 fucking hours I stood there minding that step. And not so much as a thank you from the shopkeeper. What an ungrateful lot, the retail industry have become.

ROCK ON!

A recent advert for a live Guns 'n' Roses LP said that the sound quality is so good, it's like having a rock festival in your own house. How exciting! I for one, can't wait for the opportunity to piss behind my own settee and queue up for 2 hours to get a warm coke.

I sat down recently to watch my favourite programme, Tomorrows World. How disappointed I was though. The whole programme consisted of nothing but a sad old lady sitting in an armchair doing nothing.

Fortunately my husband spotted the error. I had forgotten to turn my television on and for the last half hour had been watching my own reflection in the screen.

CUSTOMS HORROR

Going through customs on the way back from a holiday in Spain, I was recently subjected to the most horrific ordeal.

During the flight I had suffered considerable discomfort in my bottom due to the fact there was still sand in my pants. So when the customs man at Gatwick asked me how I was, I understandably replied "Fine thank you, apart from the crack in my bottom."

Imagine my surprise when he gave me a brutal internal examination.

REVEALED — THE NAMES THE STARS TRIED TO HIDE!

What do top singers Dana, Seal and KRS1 have in common? And come to think of it, what about Morrissey or Adamski? The answer is that not only are they all without an ounce of talent, but they're all known by a single name.

HISTORY

So, for want of something better to do, we spent the last month investigating the family history of these solo named pop singers.

Today, we publish the results of our findings, as we finally take the lid off the stars name shame.

MATHS

It makes disturbing reading, particularly as we cobbled it together only last night, but we think every self respecting parent has a right to know the true shocking facts that lurk behind the happy go lucky facade of Britain's pop industry.

After much research we can disclose that the surname of lilting Irish crooner Dana is in fact... 'Fuckinuselesschristian.' "I decided not to use my surname as it was too long" she explained.

DOUBLE FRENCH

Another star with golden tonsils is the warty faced

singer Seal. Seal confessed that he axed his surname long before he was famous.

"My surname is, Pants and to be honest it made me feel a bit of a fool" he said. "I took a bit of a ribbing at school so I dropped my pants as soon as I could."

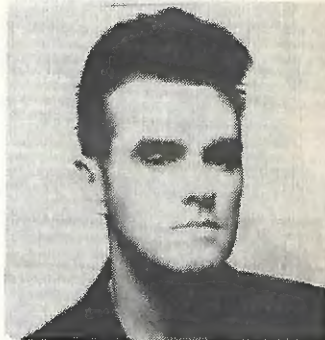

Seal, — pretentious, moi?

Mean and moody rap singer KRS1 has the unusual surname of QWOP3. "My father, WXTL7, was mad" he admitted.

GEOGRAPHY

Moaning minnie Morrissey, ex lead singer of The Smiths, tried hard to stop us discovering his embarrassing surname, but our

determination won through in the end. Good try Mr Morrissey Quim. Lonely Morrissey confessed that his surname had always humiliated him. He said, "I decided to shave off my Quim and start afresh."

A rare picture of Morrissey having a right good laugh.

HOME-TIME

Techno wizard Adamski, whose recent single 'Killer' topped the charts for a massive six weeks, was decidedly reluctant to reveal his full name. He had claimed it was Smith but after much research, we discovered it was really Adamski Yellowwater. "I admit, I was fed up with people taking the piss out me" he said.

Bouncy Liverpoolian singer Sonia (Sonia Cunt) was unavailable for comment.

THE ADVENTURES OF GLASSMAN

GLASSMAN LIVES IN A GREENHOUSE, IN THE GARDEN OF YOUNG TOMMY BAKER.

GLASS MAN! COME QUICKLY, THERE'S ... HEY! WHAT'S THAT FUNNY SMELL?

EH? OH THAT! IT'S NOTHING! JUST BURNING OFF SOME OLD WEED! THAT'S ALL!

SO, TOMMY MY MAN, WHAT TROUBLES YOU?

IT'S PSYCHO-WILLY GLASSMAN. JUST UP THE ROAD. HIM AND HIS MATES ARE TORTURING A POOR KITTEN!

5 MINS LATER UP THE ROAD

SUCH IS THE FATE, TOMMY, OF THOSE WHO PROVOKE THE WRATH OF THE GLASSMAN!

HE DOESN'T SEEM TO BE MOVING!

LATER

ER-YES?

WELL THOSE ARE HIS BROTHERS!

WHAAT!? WHY DIDN'T YOU TELL ME HE HAD FOUR BROTHERS?

WELL YOU NEVER ASKED ME!

WELL NOW, I CAN SEE YOU GUYS ARE A LITTLE UPSET BUT I'M SURE WE CAN DISCUSS THIS LIKE MATURE ADULTS - CAN'T WE?!

INSTANT SEX APPEAL

NEW! Scientists have isolated and synthesized a natural female attractant - PHEROMONE. Controlled experiments show it attracts women and have been widely reported in the press:

- 'Minute quantities were sprayed on a chair in a dentists waiting room. Women patients went straight for the chair.' - *The Sunday Times*.
- 'Pheromone secretions not only attract women, but repel other males.' - *World Medicine*. (Journal for GPs)
- 'A male sex pheromone which has a scent that attracts females' - *Time* (Vol. 115, No.2)
- Pheromones are known to influence human behaviour in a subtle way. They are thought to prime women to be more sexually receptive and help to make their menstrual cycle regular. - *Daily Telegraph*, 7.12.90.
- 'And now the Pheromone has been marketed, we've tested it - and good grief, it works' - *Knave*.
- 'The stuff attracts women like you would not believe.' - *Colorado Telegraph*.
- Lowell Ponte, a former consultant on exotic weapons and a Readers Digest science writer, said in an interview that 'use of the recently discovered chemical Pheromone should be banned - congress should pass a law making it a crime to use this chemical to influence voters by making politicians appear more lovable' - *San Francisco Chronicle*.
- 'It's something women don't consciously smell, it works in the olfactory nerves. The woman finds the man attractive but she doesn't know why.' - *Lifestyle*.

SUCCESSFULLY TESTED ON BBC TV's TOMORROWS WORLD

- CONTACT 18 is a Pheromone fragrance for men. User reports confirm success:
- 'It really does seem to work! The most dramatic instances have occurred when wearing it at discos. Girls just drift towards me and start flirting. D.T. Cardiff.
- 'I knew CONTACT 18 wasn't a gimmick when one of the girls at work... quite out of character, started to seduce me when we were alone in the office.' S.D. Nottingham,

SUMMER FUN WITH RADIO 1's SMILEY MILEY!

It's a sizzling summer's day and the kids are on Britain's beaches; pop music is blaring out from millions of radios all over the country, and the one show everyone's listening to is, of course, the fabulous Radio One Summer Roadshow. And the star of the show? Why it's none other than that perennial crowd-pleaser – Mr Smiley Miley!!!

WILLOW

As regular as a summer swallow, as English as the sound of leather on willow, as talented as Gary Wilmot, Smiley Miley is the Radio One Roadshow.

Born plain Smiley James Miley, Smiley has never missed a single Roadshow and has clocked up well over twenty miles with the travelling madhouse.

BIRCH

But it's not all smiles at radio's top rated programme. The strain and tension of putting on over 30 live radio shows over the course of a summer can often lead to quarrels amongst the Radio 1 clan. Fortunately, Smiley's never far away with one of his practical jokes or another crazy antic designed to lighten up the atmosphere. All delivered in that irritating West Country accent.

ASH

Smiley's most famous stunt occurred when he broke into Simon Mayo's house, stole all his valuables and brutally bugged her wife. "It was just a bit of fun at the end of a very hard day and though Simon was a bit taken aback at first, he soon saw the funny side," recalls Smiley. "And of course Simon's wife was in on the joke too."

ANOTHER BIT OF SHOWBIZ CRAP

EMBERS

Other famous Smiley Miley pranks include fooling Philip Schofield by posing as a contestant in a Roadshow quiz, and the memorable time Smiley crapped in the glove box of Mike Read's car.

GOOCHIE

Fortunately, the Radio 1 jocks can all take a joke. So as yet, not many of Smiley Miley's wheezes have back-fired (in fact Mrs Mayo hasn't back-fired since Smiley's memorable prank). DJ Alan "Fluff" Freeman sums up the special affection everyone at Radio 1 has for Smiley "The bloke's a tosser and no mistaking" says Fluff. "No talent and I've no idea why Radio 1 employ such a fat overated van driver. He's an irritating, nauseating little cunt. Alright? Not arf!"

We followed "Smiles" during a typical day on the road.

6.00am

Smiley gets up with a big erection and services DJ's Mike Read and Gary Davies.

7.00am

A quick breakfast is snatched on the move, then it's back to bed for a quick one with Bruno Brookes.

10.00am

The Roadshow is now on air, but Smiley's busy fiddling around with Simon Bates.

12.00am

Smiley's bit on the Roadshow.

12.01pm

Exhausted, Smiley goes back to bed to recover.

5.00pm

The day's fun is coming to an end but Smiley is busy planning his famous practical jokes. He's going to put cling film over the toilets and make apple turnovers out of the beds. Just like he does every day. The rest of the crew can barely stop themselves laughing.

6.00pm

Off air, the crew and DJ's relax with the odd pint or two. Smiley sneaks off to Steve Wright's caravan for some very special relaxation. The sort that only consenting adults can get.

Smiley, seen chortling after one of his crazy pranks at Great Yarmouth.

10.00pm

Exhausted but ugly, Smiley goes to bed with his walkman to listen to his Wurzel's tape. But little does he know, Mike Read has already got his own back and freshly laid a big steaming hot turd under his pillow.

Sounds like Smiley's about to discover the true meaning of "Bits and Pieces."

OOH FUCK, DON'T LOOK DOWN-IT'S 10 THINGS YOU'D RATHER NOT KNOW ABOUT FLYING

- 1 A Jumbo Jet weighs more than an elephant.
- 2 There are 1800 thunderstorms on Earth at any given moment.
- 3 There are 8½ million lightning strikes on Earth every single day. (P.S. A bolt of lightning always hits the highest point)
- 4 There's also a lot of mad Libyan terrorists about.
- 5 And don't forget those Iraqi's - they're fucking livid still.
- 6 The distance between the wing-tips of a Boeing 747 is longer than the first flight made by the Wright brothers but shorter than the Irish football team's passing game.
- 7 A plane can also cut wood. It can scythe down one square mile of

trees when it crashes into a forest.

- 8 All the world's airlines demand a copy of the Irish football team's fixture list, so that their aeroplanes can avoid the stadiums where Ireland are playing.

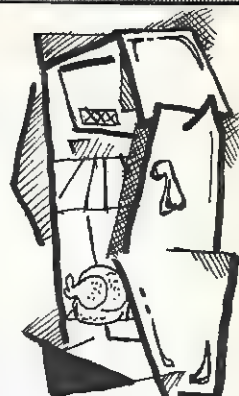

A DAN AIR Special

- 9 Chaos theory, also known as Sod's Law, predicts that if you are so terrified of flying that you take a train or a ship instead, a 747 will probably crash on your carriage or the recreation deck.
- 10 The whole fleet of Air Europe recently went down - in one single night!

NEW 'ICE AGE' ON ITS WAY

May and June have just been declared by weathermen to be the coldest and wettest since records began.

Not surprisingly, Myrtle Cum, a boffin specialising in climate change, claims that a new Ice-Age is underway.

"Through my careful observation of plants and animals I have been making predictions. For instance, I have noticed that from every October to May or June, most furry little animals curl up and go to sleep; leaves fall off the trees and people stop wearing cycling shorts with bright coloured T-shirts. This must mean the Ice-Age is coming."

COLD

We consulted top weatherman Suzanne Charlton, and he agreed that things had become so cold that he was unable to find his penis and had even sprouted a meagre pair of breasts.

CHILL

Jack Scott, the oldest weatherman on record, denied that we'd all be wearing thick mink coats on our Summer beaches. Jack, who'd seen it all before, said "I've seen it all before."

FLU

"I'll be bloody ruined if this turns out to be true" fumed Britain's biggest ice cream salesman Mr Lance Whippy. "My business will take a real licking and my profits will freeze, and I'll lose all my lolly" he said moments before we shot the cunt.

DONT WASTE THOSE FOREIGN COINS!

Isn't it annoying when you come back from your hols abroad, only to find you've got a pocketful of useless foreign coins?

The banks won't change them and you can't even get rid of them in Durex machines. However, help is at hand. We've come up with a few ingenious ways in which you can make the most of those stupid little coins from all manner of poxy tinpot farty mediterranean countries.

SPAIN

If you've recently returned from sunny Spain, you'll probably have come back with a load of loose Pesetas (as well as a dose, no doubt). But don't go throwing them away. Simply collect £1's worth of Peseta's, then carefully and delicately swap the 't' and the 's' around, add an 'o', and hey presto you've got yourself a pound of new potatoes.

HOLLAND

Similarly, if you've just been to Holland, you're probably very stupid with hardly any money and just wanted to score some cheap blow.

That needn't matter though. Because if you've got a few Dutch Gilders left over, just swap the 'i' and 'l' around, get rid of the 'u' and you've got yourself a brand new Glider. So now you can fly all your drugs in and out of the country without ever having to go through customs. Simple - aren't you.

FRANCE

However, if you're one of those sad lonely little twats who goes to France for your holidays only to come back laden down with loose Francs, here's a tip. Simply swap the 'c' for a 'k' and

before you can say "Sheep-burners" you've got yourself a new friend called Frank. You need never be lonely again.

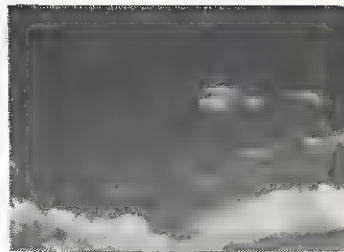

NORWICH

But if you happen to be a foreign student on holiday in this country and you're due to go home soon but not sure what to do with all the pound coins you've collected, here's a tip. Keep your fuck-ing money, just stop walking 20 abreast up our high streets, pushing into bus queues and knocking people over with those bloody annoying pink and green rucksacks!

10 THINGS YOU DIDN'T KNOW ABOUT TV WEATHERMAN SUZANNE CHARLTON

- 1 Suzanne is the son of Aussie snooker star, 'Steady' Eddie Charlton.
- 2 Eddie's a bit crap now. He used to be good though.
- 3 Coincidentally, Suzanne's stepbrother is the second division football club, Charlton Athletic.
- 4 Suzanne has got nothing to do with Charlton Heston though.
- 5 Mind you, Suzanne did stop once at the Heston Service Station on the M4, if that counts.
- 6 After gagging on a 'Big Mac' hamburger, Suzanne turned vegetarian and is now very picky over what he eats.
- 7 In love, he has not been successful and is looking for a partner to share those intermittent periods with.
- 8 Oddly enough, Suzanne is one of those people that no-one of either sex really fancies.
- 9 There's nothing you can really put your finger on, it's just that Suzanne is, well...plain really.
- 10 Let's put it this way - Suzanne is quite good at reading the weather, but you wouldn't shag it, right?

The sort of weather, Suzanne's always telling us to expect.

WHO IS BRITAIN'S GREATEST GARY?

LINEKER v DAVIES

It's the question everyone's asking – 'Just who is Britain's greatest Gary?' Is it Gary Lineker whose consistent goals and impeccable behaviour have done so much for the game? Or is it Gary Davies, Radio 1's top jock, whose sparkling good wit and ridiculous eyebrows never fail to raise a chuckle in offices and homes across the land. As the great debate rages, we put the two Garys to the test to find out – WHO IS BRITAIN'S GREATEST GARY?

Gary Lineker

HOW THEY SCORE

Gary Davies

Gary combines a fine physique with well chiselled facial features. No sign of a footballers haircut either. His boyish good looks are topped off by the merest hint of a tan (probably left over from his playing days in Barcelona) In fact, if it wasn't for his sticky out ears, Gary would have scored a perfect 10.

GOOD LOOKS

9 7

Renowned for his swarthy good looks, when Gary flashes that toothy white grin, the ladies just go weak at the knees. You can be sure that those sultry dark eyes have melted many a maiden's heart. And by all accounts, Gary's well lobbed up in the trouser department too.

Always the gentleman, Gary really does possess a super calm temperament both on and off the field. Laid back and cool, he instantly puts people at their ease. But don't call him boring, Gary's got a string of anecdotes and gags that would put even Tarby to shame.

PERSONALITY

7 8

Gary's lunchtime show – his 'bit in the middle' as he jokingly refers to it – shows Gary's extrovert nature at its best. He gets on with people from all walks of life, even the thicko's who take part in his 'cultural quiz'. And if pushed, he'll even talk to people who earn less money than him.

Gary's placid nature on the field of play means that he's never ever been booked. Defenders try to rile him but Gary's learnt to turn a blind eye to their cruel taunts. Except of course when they have a dig at his wife Michelle's ample bosoms. Then he goes fucking ape-shit.

BOOKINGS

0 2

Like nice guy Mr Lineker, Gary's bookings are few and far between. Though there's always the occasional 'Top of the Pops' when Simon Mayo can't make it. Gary's last proper booking was in 1985 when he was invited to open the new Sainsburys in Southampton.

Married to the lovely Michelle, Gary's love life couldn't be happier. Childhood sweethearts, they've been inseparable for many years now and are expecting their first baby shortly. Nothing comes between this perfect couple. Not even Gary's disturbingly close friendship with snooker playing slaphead Willie Thorne.

LOVELIFE

8 9

Usually seen in all the trendy nightclubs, Gary's lovelife is therefore varied and hectic. A night on the town with close friend and ex Coronation Street heart-throb Chris Quentin usually means Gary will end up pulling some old Biffa at least. Though lately Gary has reportedly been going steady with TV weatherman Suzanne Charlton.

Fitness is crucial to Gary's electric performances on the field. A keen runner, Gary likes to stay in tip top condition. Regular training and sprint exercises ensure there's no-one quicker over the first five or six yards.

FITNESS

9 7

Unfortunately large helpings from the BBC's canteen have begun to take their toll on Gary's waistline. Skiing helps Gary stay in trim, though late night boozing and not enough time in the gym have helped make his 'bit in the middle' decidedly floppy.

Known as 'The Poacher', there's no-one more deadly in the 6 yard box. An uncanny knack of being in the right place at the right time makes Gary one of the top marksmen in the game. Strong with lightening reflexes, nobody tucks chances away with more ruthless efficiency than our Gary.

DEADLINESS IN 6 YARD BOX

10 0

One of the UK's top DJ's, Gary doesn't get many opportunities to sharpen his skills in the 6 yard box. In fact, whilst playing for the Variety Club in a charity game against the cast of Allo Allo, Gary missed a couple of sitters and then forced keeper Gordon Kaye into a fine save. Though Gary will be the first to admit, he really should have buried it.

TOTAL 43

Gary's the greatest!
He's way out in front.

TOTAL 33

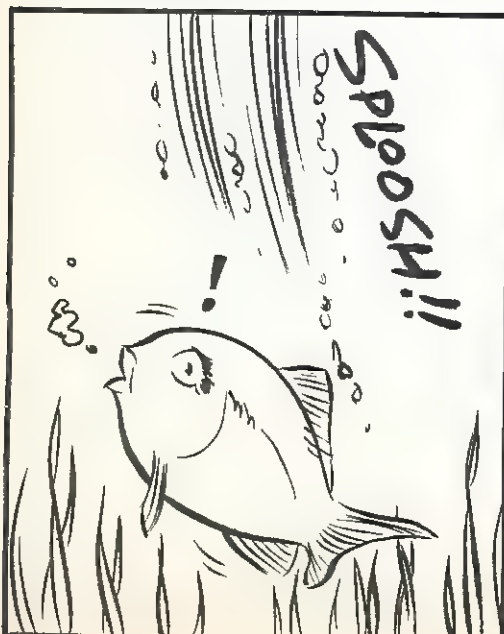

Nearly, but not quite, Radio 1's
Gary comes a gallant second

GUTTER. A comic full of filthy disgusting low life and foul language, plus grotesque and explicit drawings that are so life-like you'll want to interfere with yourself. There's plenty of sordid horridness and a good dollop of nasty unmentionables too. And that's just its good points. Guaranteed to offend, it truly is a nasty little periodical.

So what are you waiting for?

SO IT'S JUST THE HAND
THEN, TO TEACH

LESSON!?

ABSOLUTELY
NOT!!!

MR CONAN, I
REALLY FEEL THAT YOU'VE
FAILED TO GRASP THE
PRIMARY FUNCTION
OF YOUR POSITION
HERE AS A LIBRARIAN.
I'VE THEREFORE
DECIDED TO EMPLOY
A SENIOR LIBRARIAN TO
WATCH OVER YOU. IF YOU'LL
COME THIS WAY, I'D
LIKE YOU TO MEET...

REURGHHH!

PHITTT!

REURGHHH?

NO...
RED SONIA!
AND YOU'VE
KILLED
MISS PUGH!

TIS I

WELL ABOVE AN ACCEPTABLE WHISPER
AND SO PAID THE PRICE, BUT
ENOUGH OF THAT, JUST NOW,
OVER THERE, I SAW A MAN
FOLD BACK THE CORNER
OF A PAGE! SUCH
DISRESPECT CANNOT GO
UNPUNISHED. COME, I
SUGGEST WE REMOVE HIS
BALLS WITH A BLUNT
INSTRUMENT!
